Dear Colleagues,

We are pleased to announce the biggest in its unique multidisciplinary form, scientific event: **15th INTERNATIONAL MULTIDISCIPLINARY SCIENTIFIC GEOCONFERENCE AND EXPO – SGEM 2015**.

This multi-science event will be held during the period **16 – 25 June 2015, in Albena Resort & SPA, Bulgaria**. All participants will receive **15% DISCOUNT** from any registration fee as a compliment from the organizers, on the occasion of the **15th Anniversary of the SGEM GeoConferences**. Many other surprises and bonuses will await all the SGEM guests at the venue.

The SGEM GeoConferences focus on the latest researches and technologies in Geo and Earth Sciences, covering 27 scientific topics from fundamental and applied sciences.
